Section 2.05. Compliance. All uses shall comply with the zoning and other applicable regulations as set forth by the City of Chaska or other governmental agencies. Said regulations shall govern if inconsistent herewith to the extent actually inconsistent.

Section 2.14. Parking. While the Developer owns any Lot within the Property no trailers, boats, buses, motor homes, campers, snowmobiles, or other types of recreational vehicles shall be parked on any Lot for more than forty-eight (48) consecutive hours unless such vehicle is parked within a garage located on such Lot. However, once the Developer no longer owns any Lot within the Property, and unless modified by written policy of the Association through a two-thirds (2/3) vote of the Association Board of Directors, the following storage and parking restrictions apply upon the Property:

- (a) The storage or parking of "Winter Season" vehicles is only allowed upon the driveway of the Lot and is only allowed from November 1 through March 31.

For purpose of this restriction, an automobile, van, motorcycle or other motor vehicle which is parked in the same location without use for more than seventy-two (72) consecutive hours shall be presumed to be an abandoned vehicle. No vehicles twenty (20) feet or more in length shall be parked on any lot or appurtenant street at any time.

Section 2.15. Home Industry. No profession or home industry shall be conducted in or on any Lot without the specific written approval of the Association, which, in its discretion, upon consideration of the circumstances in each case, and particularly the effect on surrounding property, may permit a Lot to be used in whole or in part for the conduct of a profession or home industry. No such profession or home industry shall be permitted, however, unless it is considered by the Association to be compatible with a high quality residential neighborhood.

ARTICLE III.

REQUIRED YARDS AND LOT MAINTENANCE

Section 3.01. Outside Storage. Outside storage of any items shall not be allowed unless screened from view by enclosures so as to effectively screen such storage from

view. The design of such screened enclosure must have prior written approval by the Association.

Section 3.02. Fences, Animal Enclosures and Storage Structures. No animal enclosure or storage structure shall be erected on the Property while the Developer owns any Lot within the Property. Once the Developer no longer owns any Lot within the Property no animal enclosure or storage structure shall be erected on the Property without prior written approval of the Association. Such approval or the refusal to grant approval for an animal enclosure or storage structure shall be based upon the written policy of the Association in existence at the time of the written application for such approval.

Fences/wingwalls/screening are allowed during and subsequent to the time when the Developer owns any lot within the Property if erected in compliance with the Association written policy. Such approval or the refusal to grant approval for a fence/wingwalls/screening shall be based upon the written policy of the Association in existence at the time of the written application for such approval.

The Association may modify its fence/wingwalls/screening, animal enclosure and storage structure policies by a two-thirds vote of the Board of Directors.

Section 3.03. Maintenance.

- (a) Maintenance of the Lot. The Lot and improvements thereon shall be maintained in a state of good order and repair by the Owner thereof or the association to which Owner belongs. In the event any Owner of a Lot, entitled and required to belong to the Association or the association to which Owner belongs, shall fail to maintain the Lot and improvements, the Board of Directors of the Association, after approval by two-thirds (2/3) vote of the Board of Directors, shall have the right, through its agents and employees, to enter upon said Lot to repair, maintain, and restore the Lot and the exterior of the buildings and any other improvements erected thereon. The

cost of such exterior maintenance shall be added to and become part of the assessment to which such Lot is subject.

- (b) Maintenance of the Common Properties. The Association shall provide for all maintenance and repair of the Common Properties.

ARTICLE IV.

PLAN APPROVAL

Section 4.01. Subject to Section 3.02, the Developer shall construct the Dwellings in a manner consistent with the plans approved by the City of Chaska, including proposed paint colors and exterior materials.

Once the initial Certificate of Occupancy is issued by the City of Chaska, Minnesota for the initial Dwelling, no future building or improvements, including changes in exterior color and/or exterior materials, shall be commenced, erected, placed or substantially altered on the exterior nor any substantial landscape work done on any Lot until the building or other alteration plans, specifications, including elevations and architect's rendering, a plat showing the location of the approval on the particular Lot, including general landscape plans; are submitted to and approved in writing by the Association as to fulfilling the purposes and Criteria for Standards herein contained. Provided, however, that the Association shall not be liable to anyone in damages who has submitted plans for approval or to any landowner by reason of mistake in judgment, negligence, or nonfeasance of itself, its agents or employees, arising out of or in connection with the approval or disapproval of any such plans. Likewise anyone so submitting plans to the Association, for approval, by submitting such plans, and any person when he becomes an Owner agrees that he or it will not bring any action or suit to recover for any such damages

against the Association. The Association shall not unreasonably withhold approval of any plans submitted pursuant hereto; provided, however, that failure to meet (i) the Criteria for Standards, (ii) the standards contained herein, (iii) standards as to plans required to be submitted, (iv) standards as to compatibility with existing structures, and (v) standards of appropriateness of any structure, exterior design, construction materials, size of improvements, or color scheme thereof, shall be grounds for the Association's reasonable disapproval of any such plans. Failure of the Association to send written notice of disapproval of any plans within sixty (60) days after submission of said plans to it shall be deemed to be approval thereof. All construction work shall, upon approval of plans by the Association, be carried on with dispatch and completed within one (1) year from initiation. Upon completion thereof, the Lot shall be promptly landscaped.

Section 4.02. All improvements shall be constructed in conformity with this Declaration, the then existing building codes and other applicable codes, ordinances and regulations of the City of Chaska.

Section 4.03. Minimum Building Standards.

- (a) Structures erected or placed on any Lot must be in harmony with the residence in respect to workmanship, materials and external design.
- (b) No structure shall be erected or placed nearer to the front lot line, or nearer to a side street line, or nearer to the rear lot line than permitted by the City of Chaska as of the date hereof, and the side yards shall be not less than five (5) feet on garage side and five (5) feet on the house side. For the purpose of this restriction, eaves, steps and open porches shall not be considered a part of a Dwelling; provided, however, that this shall not be construed to permit any portion of the Dwelling on any Lot to encroach upon other residential Lots.

- (c) The entire Lot area between rear lot line and the public street shall be seeded or sodded within sixty (60) days of occupancy, or in the event of inclement weather, as soon thereafter as reasonably possible.

Section 4.04. Prohibition of Manufactured Homes. "Manufactured homes" as defined in Minnesota Statutes 327.31 are prohibited on the Property.

ARTICLE V.

MEMBERSHIP AND VARIOUS RIGHTS IN THE ASSOCIATION

Section 5.01. Each Owner shall be a member of the Association and shall be entitled to one vote for each Lot owned, and Owners of multiple Dwellings (property with more than one Dwelling thereon) shall be entitled to one vote for each rental unit except as set forth below. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to each Lot. Said Association shall also have as members other landowners, in the Jonathan Development. For the purpose hereof, an owner of a single townhouse unit or condominium unit shall be considered to be a single family residential Lot Owner entitled to one vote for each unit. On any vote taken on Association business the total votes by Owners of Multiple Dwellings shall not exceed forty-nine percent (49%) of the total votes voted and if necessary each Multiple Dwelling vote shall be appropriately weighted so that the total thereof does not exceed this maximum. On all votes taken in the Association, Multiple Dwelling votes shall be taken and counted separately to effectuate the forty-nine percent (49%) policy set forth above.

Section 5.02. If any of the Property is used as rental property, the Owner must include language in any lease or rental agreement requiring the tenants and occupants to be bound by this Declaration.

ARTICLE VI.

COMPLETION OF CONSTRUCTION OF IMPROVEMENTS

If any structure or improvement is begun after approval of the plans therefor as provided in Article IV hereof and is not completed in accordance with the approved plans within one (1) year after the commencement of said construction the Association, at its sole option, may take such steps as may be necessary in its sole discretion to improve the appearance so as to make the Lot harmonious with other Lots and the amount of any expenditure made in so doing shall be the personal, joint and several obligation of the Owner or Owners of the Lot involved, as the case may be, and shall be a lien on the Property and enforceable as set forth in Article VIII.

ARTICLE VII.

COMMON PROPERTIES

Every Owner and tenants of the Owner occupying a Dwelling shall have a right and easement of enjoyment in and to the Common Properties which shall be appurtenant to and shall pass with the title to every Lot subject to the following provisions:

- (a) The right of the Association to charge reasonable admission and other fees for the use of any recreational facilities situated upon the Common Properties.
- (b) The right of the Association to suspend the voting rights and right to use the recreational facilities by an Owner for any period during which any assessments on the Owner's Lot remain unpaid and for a period not to exceed sixty (60) days for any infraction of its published rules and

regulations. The Association is hereby given the right to establish uniform rules and regulations for the Common Properties.

- (c) The right of the Association to dedicate or transfer all or any part of the Common Properties to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the members. No such dedication or transfer shall be effective unless assented to by two-thirds (2/3) of the members who are voting in person or by proxy at a meeting or meetings duly called for this purpose. Notice of such meeting or meetings shall be given and the required quorum shall be determined in the same manner as provided in Section 8.05. The rights of the Association contained in this paragraph (c) shall be in addition to and shall in no way limit the rights granted to the Association in this Article VII.
- (d) The Association shall have the right to lease portions of the Common Properties to commercial recreational developers for the purpose of providing recreational facilities or services or both to members provided that the net income from any said lease shall be applied to developing and maintaining the Common Properties in the Jonathan Development.

ARTICLE VIII.

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 8.01. Creation of the Lien and Personal Obligation of Assessments. Each Owner, for each Lot owned within the Properties, hereby covenants, whether or not it shall be expressed in his or her deed, or contract for deed, is deemed to covenant and agrees to pay to the Association (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment

fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. Notwithstanding anything contained herein to the contrary, the Developer shall not have any liability to the Association or to any other party for any annual assessments or charges and/or special assessments for capital improvements, it being specifically understood that the annual and special assessments shall not be imposed against any Lot until a Dwelling has been constructed thereon, a certificate of occupancy issued therefor, and such Lot and Dwelling have been sold and conveyed by the Developer to the Owner.

Section 8.02. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the properties and for the improvement and maintenance of the Common Properties.

Section 8.03. Maximum Annual Assessments. The maximum annual assessment for 2001 shall be \$193.00 per Lot or per rental unit in a Multiple Dwelling.

- (a) The maximum annual assessment may be increased each year not more than five percent (5%) above the maximum assessment for the previous year without a vote of the membership.
- (b) The maximum annual assessment may be increased above five percent (5%) by a vote of two-thirds (2/3) of the members who are voting in person or by proxy, at a meeting duly called for this purpose.
- (c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 8.04. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or

in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Properties, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of the members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 8.05. Notice and Quorum for any Action Authorized under Sections 8.03 and 8.04. Written notice of any meeting called for the purpose of taking any action authorized under Section 8.03 or 8.04 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of the members shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 8.06. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and rental units and may be collected on a monthly, quarterly, semi-annually or on an annual basis as shall be determined by the Board of Directors of the Association.

Section 8.07. Date of Commencement of Annual Assessments; Due Dates. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment

against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8.08. Effect of Nonpayment of Assessments; Remedies of the Association.

Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eight percent (8%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Property. Such assessment, together with interest thereon at eight percent (8%) per annum, plus all costs and reasonable attorneys' fees, shall be the personal obligation of the person who was the Owner of the Lot at the time when the assessment was due. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Properties or abandonment of his Lot.

Section 8.09. Subordination of the Lien to Mortgages. The lien of the assessment provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE IX.

ENFORCEMENT

Section 9.01. The Standards set forth herein shall be enforceable by the Association, or any Owner, their successors and assigns, for the maximum period allowed by law and shall be enforceable by the Association, or any Owner, their successors and assigns, by (i) injunctive relief, prohibitive or mandatory, to prevent the breach of or to enforce the performance or observance of these standards, or by (ii) a money judgment for damages by reason of a breach of those standards, (iii) both (i) and (ii), or (iv) foreclosure of any lien authorized herein.

The assessments provided for herein shall be enforceable by the Association by a money judgment against the Owner or Owners responsible therefor or by foreclosure of the lien. A lien for assessments may be foreclosed against a Lot under the laws of this state as if it were a lien under a mortgage containing a power of sale. The Association, or its authorized representative, shall have the power to bid in at the foreclosure sale and to acquire, hold, lease, mortgage and convey any Lot so acquired. The Owner, by the acceptance of any conveyance of any interest in the Lot grants to the Association full authority, including without limitation a power of sale, to accomplish such foreclosure, acquisition and sale, together with the power and right to exercise any other remedy available under the laws of this state governing such foreclosures. The Association shall, in addition, have the right to pursue any other remedy at law or in equity against an Owner who fails to pay any assessment or charge against his Lot. In any action brought by the Association against an Owner in violation of the covenants, including, but not limited to the

recovery of delinquent assessments, the Association shall further be entitled to recover all costs of the action, including without limitation interest on the delinquent amount at the rate of eight percent (8%) per annum and reasonable attorneys' fees.

Section 9.02. The failure of the Association and any Owner, their successors or assigns, to enforce any provisions of the Standards contained herein upon the violation thereof shall in no event be deemed to be a waiver of the rights to do so as to any subsequent violation.

Section 9.03. Invalidation of any of the provisions of these covenants and Standards, whether by court order or otherwise, shall in no way affect any of the other provisions which shall remain in full force and effect.

Section 9.04. Any party to a proceeding who succeeds in enforcing a Standard or lien or enjoining the violation of a Standard against an Owner may be awarded a reasonable attorneys' fee against such Owner and shall be entitled to interest at the rate of eight percent (8%) per annum on any monetary amount awarded from the date such amounts shall be determined to have been payable.

Section 9.05. No violation of any of these standards shall defeat or render invalid the lien of any mortgage made in good faith and for value upon any property subject hereto; provided, however, that any mortgagee in actual possession, or any purchaser at any mortgagees' or foreclosure sale shall be bound by and subject to these standards as fully as any other Owner of any Lot subject hereto.

Section 9.06. The Association by a two-thirds (2/3) vote of the Association Board of Directors may grant variances from the strict application of the provisions of the
